

# Planning a Home Energy Retrofit? Select Sustainable Claremont as your Energy Champion!

**1** Haven't started your retrofit? Complete this form:  
[www.SustainableClaremont.org/EC-Interest](http://www.SustainableClaremont.org/EC-Interest).

**2** Already finished your retrofit? Complete this form:  
[www.SustainableClaremont.org/EC-Completion](http://www.SustainableClaremont.org/EC-Completion).

**3** Based on the level of your retrofit, The Energy Network will give Sustainable Claremont up to \$400! Just fill out the forms- it's that easy! This money will be used to promote energy-efficiency in Claremont.

*As an Energy Champion, Sustainable Claremont is here to help describe the benefits of the energy upgrades, shepherd people through the registration process, answer questions, and provide independent advice from well-meaning volunteers who have been through the process.*
