

## Claremont Garden Club: Some Native Plants for Wildlife *(this and more at [www.sustainableclaremont.org](http://www.sustainableclaremont.org))*

Notes: all native plants attract one to many species of native bees; lots more info at [www.laspilitas.com](http://www.laspilitas.com)

Scientific name	Common name	Fruit (seeds)	Birds	Hummingbirds	Butterflies	Notes
<i>Achillea</i> spp.	Yarrow				x	Perennial; mat; takes light traffic
<i>Acmispon glaber</i>	Deerweed				x	Small shrub; deciduous
<i>Adenostema fasciculatum</i>	Chamise	(x)	x			Med. shrub
<i>Antirrhinum multiflorum</i>	Multiflowered snapdragon			x	x	Fragrant; perennial
<i>Aquilegia</i> spp.	Columbine			x		Part shade; perennial; mod. water
<i>Arbutus menziesii</i>	Madrone	x	x	x		Lg. shrub/sm. tree; afternoon sun
<i>Arctostaphylos</i> spp.	Manzanita	x	x	x	x	Butterfly magnet
<i>Artemisia californica</i>	California sagebrush	(x)	x			Sm shrub; birds eat leaves, flowers
<i>Asclepias</i> spp.	Milkweed		x		x	Monarchs; perennial; dies down in fall
<i>Baccharis</i> spp.	Coyote brush				x	Med. shrub; many insects; deer proof
<i>Berberis nevinii</i>	Nevin's barberry	x	x		x	Med.shrub; prickly; good barrier
<i>Calliandra eriophylla</i>	Pink fairy duster			x	x	Sm. shrub; stress-deciduous
<i>Calystegia macrostegia</i>	Morning glory					Vine; aft. sun; stress-deciduous
<i>Ceanothus</i> spp.	California lilac	(x)			x	Low to tall shrub; fragrant
<i>Cercis occidentalis</i>	Western redbud	(x)		x	x	Small single or multi-trunked tree
<i>Chilopsis linearis</i>	Desert willow					Small tree; fragrant; deciduous
<i>Chrysothamnus nauseosus</i>	Rabbitbrush				x	Small shrub/perennial; deciduous; silver
<i>Cirsium occidentale</i>	Red thistle	(x)		x	x	Biennial
<i>Corethrogyne filiginifolia</i>	California aster				x	Silver perennial; stress-deciduous
<i>Dudleya</i> spp.	Live forever			x	x	Succulent
<i>Encelia californica</i>	California brittlebush	(x)	x		x	Med. shrub; frost tender
<i>Encelia farinosa</i>	Brittlebush	(x)	x		x	Med. shrub
<i>Eriogonum</i> spp.	Buckwheat	(x)	x		x	Sm. shrub
<i>Eriophyllum</i> spp.	Golden yarrow				x	Med. perennial; stress-deciduous
<i>Erysimum</i> spp.	Wallflower				x	Fragrant; Short perennial
<i>Foresteria neomexicana</i>	Desert olive	x	x			Good hedge; deciduous
<i>Fragaria</i> spp.	Strawberry	x	x			Leaves, fruit; mod. water
<i>Frangula californica</i>	Coffeeberry	x	x		x	Med shrub
<i>Galvezia speciosa</i>	Island snapdragon			x		Part shade; sm. shrub
<i>Haplopappus linearifolius</i>	Goldenbush				x	Perennial subshrub; stress-deciduous
<i>Heuchara</i> spp.	Alum root			x	x	Perennial; part shade
<i>Keckiella</i> spp.	Bush snapdragon			x	x	Med. shrub; part shade; stress-deciduous
<i>Lobelia dunnii</i>	Blue lobelia			x	x	Part shade; dies down
<i>Lonicera hispidula</i>	California honeysuckle	x		x	x	Vine; takes part shade

<i>Lupinus</i> spp.	Lupines	(x)		x	x	Mat to med. shrub; many forms
<i>Mahonia</i> spp.	Oregon grape, etc	x	x	x	x	Part shade/shade; prickly; many forms
<i>Malacothamnus fasciculatus</i>	Bush mallow			x (insects)	x	Med. shrub; part shade; good hedge
<i>Mimulus</i> spp. ( <i>Diplacus</i> too)	Monkeyflower			x	x	Med. perennial; part shade; some water
<i>Monardella</i> spp.	Mint bush			x	x	Butterfly magnet
<i>Opuntia</i> spp.	Cactus	x	x		x	Good barrier plant
<i>Penstemon</i> spp.	Penstemon			x	x	Med. Perennial; good cut flowers
<i>Prosopis glandulosa</i>	Mesquite					Small tree; thorny
<i>Prunus ilicifolia</i>	Holly-leaf cherry	x	x		x	Lg.shrub/sm.tree; takes some shade
<i>Quercus</i> spp.	Oak	x	x		x	Caterpillars; insects
<i>Rhamnus californica</i>	Redberry	x	x		x	Lg shrub; stiff branches; good for barrier
<i>Ribes aureum</i>	Golden Currant	x	x	x	x	Med. shrub; deciduous
<i>Ribes indecorum</i>	White-flowering currant	x	x	x	x	Med. shrub; takes some shade; deciduous
<i>Ribes speciosum</i>	Fuschia-flowering gooseberry	x	x	x	x	Med. shrub; thorny; takes shade
<i>Ribes virburnifolium</i>	Perfume currant	x	x	x		Short shrub; take shade
<i>Rosa californica</i>	California wild rose	x	x		x	Thorny; takes part shade
<i>Salix</i> spp.	Willow		x			Caterpillars; insects
<i>Salvia columbariae</i>	Chia	(x)		x	x	Annual
<i>Salvia</i> spp.	Sage	(x)	x	x	x	Med. shrubs; terrific for lots of wildlife
<i>Sambucus mexicana</i>	Blue elderberry	x	x		x	Lg. shrub/small tree; takes some shade
<i>Solidago</i> spp.	Goldenrod			x	x	Perennial; takes some shade
<i>Sphaeralcea ambigua</i>	Desert mallow				x	Sm shrub/perennial
<i>Stachys bullata</i>	Hedge nettle			x	x	Mat; 18" flower stalks; part/full shade
<i>Symphoricarpos</i> spp.	Snowberry	x		x		Med, sprawling shrub; takes shade
<i>Trichostema lanatum</i>	Woolly blue curls			x	x	Med shrub; fragrant; can be fussy
<i>Trifolium</i> spp.	Native clovers (hard to find)	(x)	x	x	x	Annuals
<i>Zauschneria</i> spp. ( <i>Epilobium</i> )	California fuschia			x	x	Sm to med shrub; part shade
